

NCCYou Youth Newsletter

It's YOUTH MONTH!

Happy Spring!

Learn to save with a Youth Account at NCCYou!

We are so excited to have you join us that we are going to make the first \$5 minimum deposit for you*!

As a new Youth Member you also get an Earnie backpack with fun gifts and games!

*\$5 minimum deposit provided by Northern Communities Credit Union for any new Youth Account opened in the month of April. Youth must be under the age of 18, be accompanied by a parent or legal guardian as a joint-owner, and provide identifying documents for membership eligibility.

and get \$5!*

Call us or stop in today!

Calling all princesses, Avengers, demigods, and web-slinging heroes! Northern Communities Credit Union needs your help in defeating the most notorious thief to roam the Midwest: The Squandering Pirate. He's known for making precious fortunes disappear with a wave of his mighty hand, extinguishing hopes and dreams, and morphing saving habits into spending habits. We need the bravest of the brave—the toughest of the tough—to join our Youth Account Squad to defeat this vile villain once and for all. But worry not! We're prepared to provide you with a pack filled with essentials to help you on your journey. Not only is the backpack itself shaped like Earnie the Eagle, but inside are multiple word games to scramble his crazed mind, a balancing sheet to keep track of your steps towards success, and the most effective tool of all: the ferocious piggy bank. These devices were made to be wielded by the best (psst... that means you!). If you feel that you are up to the challenge, our front-line tellers are ready and able to aid you on this important mission.

Just stop by one of our branches in Duluth or Virginia and inquire about opening up a Youth Savings account! It's quick, easy, and a great way to put aside money that can be used for something greater in the future, including defeating infamous sea rovers. With the help of our courageous youth members and our staff here at NCCYou, we can put a stop to The Squandering Pirate and his fund-wasting ways.
